 Bermuda's Volunteers for their Vital Contributions to our Island!

National Volunteer Week* is about inspiring, recognising and encouraging people to seek out imaginative ways to engage in our community. It's about demonstrating to our island home that by working together, we have the fortitude to meet our challenges and accomplish our goals. There are countless ways for you to make a difference in the lives of others and hundreds of oportunities for you to meet new people, have fun, earn community service hours or build your resume, all while helping to build a better and stronger Bermuda.

To discover what opportunities await you, please visit VOLUNTEER.bm today!

* This is the 40th anniversary of National Volunteer Week. The celebration has grown exponentially since 1974. National Volunteer Week honours all volunteers' dedication to helping others, giving back and encouraging others to join the movement.
