The Centre on Philanthropy
VOLUNTEER.bm

On December 9th, The Centre on Philanthropy along with 68 non-profits recognised a new record of **103 volunteers**, including **36 youth volunteers**, for their exemplary service to the community during our 9th Annual Volunteer Recognition Reception graciously hosted by the ACE Group.

These volunteers represent the thousands of volunteers who give freely of their time, passion and talent, 365 days of the year. They enrich our lives and strengthen the community we live in.

We salute them!
